

LET'S GET

CONNECTED!

Our hope is that through this service, where churches can list their gifts and their needs, congregations in Pittsburgh Presbytery will find opportunities to serve and be served – that they will connect with one another and together conquer challenges, share in another's experiences and give or receive the blessing of laboring alongside their brothers and sisters in Christ. ***Let's get connected!***

The following information will be published on the presbytery website. Please get permission from your Session or pastor and from the individual contact before submitting the completed form.
