

# An Example of an Education Vision Plan

## A. Christ's vision for our church's educational program

- Example of a Vision Statement – The goal of all Christian Education is to provide an environment where people will experience the presence of the Triune God through worship, studying the Bible through reformed Christian teaching, the fellowship of believers and serving others in and through the power of the Holy Spirit.

## B. Goals based on the above vision

- 50% or more of congregation will attend Worship plus a nurturing Christian Education event once a week. (Sunday School, Fellowship Activities, Bible Study, CE classes, Continuing Ed, etc.)
- A three-year curriculum will be implemented with learning objectives for Sunday school, preschool- 12<sup>th</sup> grade. This curriculum can include adults, whose curriculum will also be approved by the education committee.
- Yearly teacher training and/or yearly continuing education.
- Family programs for 12 weeks out of the year. For example, three sets of four-week programs (fall, Advent and Lent).
- All ordained officers, church leaders and teachers are encouraged to faithfully spend regular time in spiritual practices; prayer, Worship, Bible study, tithing and serving.
