Drivers of Satisfaction and Energy

What Is a Driver?

When the data from your Landscape Assessment is analyzed it discloses that not all questions are of equal importance. Questions that are more important are called drivers. A driver is an aspect of your regional association that significantly impacts how people feel or behave towards the organization. Drivers point to the critical services that members use to evaluate how well the body is addressing their concerns and what is impacting their level of satisfaction or energy. By attending to drivers, your regional association can focus attention on the services that may have the greatest impact on their members.

Another way of saying it is that the drivers comprise a lens through which members are viewing and evaluating their overall experience of the regional association; they color how members see nearly everything related to the regional association.

1	To believe in the Word of God, that Jesus is the only way to eternal life.	12/22/2022 4:18 PM
2	We need someone who can lead with integrity.	12/21/2022 2:55 PM

4	Strategic thinking	12/20/2022 5:28 PM
5	to be future oriented in team building what will become our regional presence going forward, critical thinking/analysis skills about assets on hand - or simply capacities for amplifying conclusions of those who DO have strengths with such skills, and to be a genial persuader/influencer of DIVERSE stakeholders with priority for spaces that are growing/have younger generations/are experimenting in ministry	12/20/2022 12:46 PM
6	The ability to support and strengthen our non-white congregations.	12/20/2022 11:25 AM

Landscape for Pittsburgh Presbytery

7	A willingness to hear and encourage others to hear all voices, including conservative voices and viewpoints. A recognition that small churches simply don't function or have the resources of bigger churches.	12/20/2022 9:19 AM

14	A zeal for evangelism and outreach, desire for revival and discipleship to thrive in our region. A desire to pursue unity in faith.	12/19/2022 4:05 PM
15	Effective communicator, ability to create personal relationships beyond a small core of individuals, willingness to listen and respond, be a leader.	12/19/2022 10:44 AM
16	My most important observation about current Presbytery leadership is that there is an imbalance between the role of the staff and of the chosen leadership of Presbytery and Presbytery committees. Much more than in other presbyteries I am aware of, the staff seems to take the lead in and dominate the decision making process of the community. This strikes me as unhealthy and not quite fitting the nature of presbyterian government. I hope this process of self-reflection and calling new staff will have us look critically at these dynamics. I also believe there's a tendency to focus on procedures rather than discernment, on "getting things done" rather than on enticing communal reflection where God is leading us next. But a time like ours, in which the church will have to navigate such enormous cultural shifts, calls for deep spiritual leadership that invites congregations and presbytery to care less about institutional success and more about doing something that, frankly, Presbyterians are not good at: listening together to what God might be telling us and where God is leading us next.	12/17/2022 11:01 PM
17	To effectively and continuously communicate what the role of a Christian (1st) and Presbyterian (2nd) is in today's society.	12/17/2022 1:16 PM
18	A clear, demonstrable and vital faith in Jesus Christ.	12/16/2022 12:03 PM
19	Ability to relate to persons of varying theological perspectives.	12/16/2022 11:14 AM
20	Ability to articulate the vision and engage/excite pastors, members, and the community's representatives and people about the vision of the church - Presby and otherwise! That's not "preaching," it's engaging.	12/16/2022 10:29 AM
21	Respect for congregations who hold to biblical views of marriage and sexuality.	12/15/2022 10:35 PM
22	Be a man or woman of great faith, prayer and Biblical knowledge.	12/15/2022 9:53 PM

24	Visibility	12/15/2022 7:13 PM
25	#1 is more than pastoral, the ability to build and elicit trust #2 is the ability to exhibit and develop a missionary mindset in the presbytery	12/15/2022 5:09 PM
26	Be a Theologian! Know and practice our Reformed Tradition!	12/15/2022 3:55 PM
27	With many on the conservative side leaving for other denominations over the last seven years, it has caused the remaining people on the conservative side to become a minority. In some ways, it has been a role reversal where the more liberal side had been more of a minority and is now more of a majority. I feel it will be important that the new Presbyter helps these remaining conservative churches pastors feel like they still have a place so they, too, don't leave from feeling ostracized.	12/15/2022 3:45 PM
28	knowledgeable of PCUSA polity and policies Conflict management skills	12/15/2022 3:37 PM
29	Strong Listening Skills, Balance, Careful Discernment Abilities.	12/15/2022 3:24 PM
30	Keep our presbytery together and be approachable.	12/15/2022 12:06 PM

Landscape for Pittsburgh Presbytery

31	I believe our new leader needs to tap into the creativity and intelligence of our members to explore how our Presbytery and our congregations can be more faithful and effective at meeting the needs of God's people, to support Christ's work in underserved communities and to become known in our region as a force for positive change on behalf of those on the margins	12/15/2022 11:06 AM

54	Knowledge of denominational and other resources.	12/2/2022 4:09 PM
55	In years past, I appreciated Jim Mead's ability to lead from a strong theological perspective in a humble accessible style. I would love to see that return to Pgh. Pres.	12/2/2022 12:58 PM
56	Leadership!!! We've been missing baseline leadership. We do not need more politics masquerading as theology in email form.	12/2/2022 12:42 PM
57	We need someone who gets into the trenches of the local church. To that end, this position should require a minimum of preaching in presbytery pulpits 3 of 4 Sundays a month.	12/2/2022 12:33 PM
58	Future-thinking, collaborative, plays well with others, balcony-view, synthesis	12/1/2022 8:16 PM

Landscape for Pittsburgh Presbytery

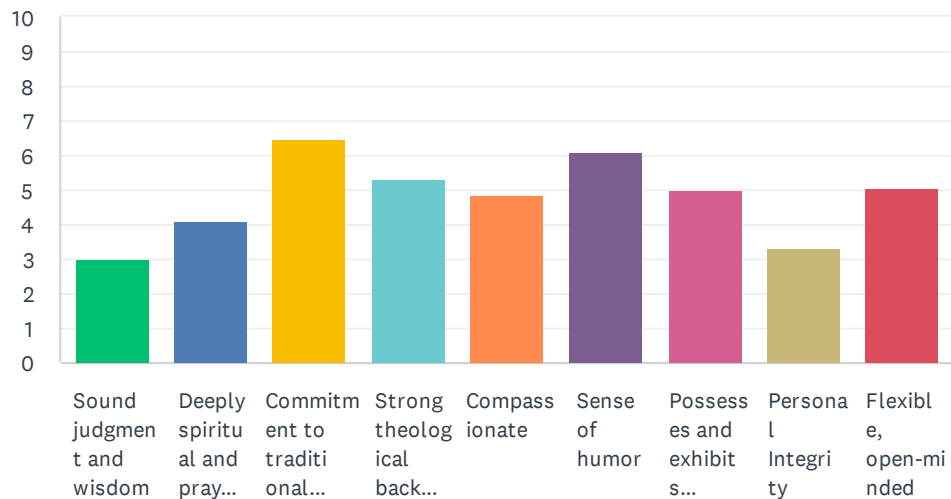

59	Willingness to try new things for the right reasons	12/1/2022 8:03 PM
60	Conflict Resolution, Diversity Training	12/1/2022 3:14 PM
61	I have noticed that conflict in our presbytery seems to be addressed in veiled terms as opposed to being handled directly and in a way that honors our Lord. Newsletter articles are not conflict resolution - if anything they inflame the tensions among us, as readers are left feeling like the bully pulpit is employed on a weekly basis. My strong conviction is that our new Presbyter needs to have the ability to handle conflict directly. Second, I believe our new presbyter needs to be able to consistently articulate a clear conviction concerning the Gospel. By this I mean that the articulation of faith does not change depending upon who is in the room. Rather, this individual needs to be able to stand by his/her convictions.	12/1/2022 11:33 AM
62	All of the above abilities are important. Just because I put Ability to Organize next to last doesn't mean that I want the person not to be organized. I would also add that the person needs to be a good listener, and then be able to take what he/she hears and discern how to connect what is heard to the new vision for the Presbytery.	12/1/2022 11:10 AM
63	Ability to confront and resolve conflict; Ability to understand and articulate orthodox biblical and theological convictions as expressed through Scripture and the Book of Confessions; Ability to live and lead with grace and truth in the midst of a culture wherein those values are a rarity; Ability to address political perspectives in a biblically balanced, nuanced way...	12/1/2022 11:08 AM
64	The Executive Presbyter must understand how to handle conflict properly and not be conflict avoidant.	11/30/2022 6:33 PM
65	The person has to be willing to leave their writing desk i.e. they have to be willing to engage people.	11/30/2022 3:36 PM
66	Ability to allow minority conservative viewpoints to be heard and carry weight.	11/30/2022 3:31 PM
67	The ability to take a stand on difficult topics, rather than smooth things over. A passion for interfaith and ecumenical relationships. A passion for mission in the community. An openness to something different from the past.	11/30/2022 12:59 PM
68	With the dramatic decline in the denomination, and the even more dramatic decline coming, understanding the need to help churches revitalize is crucial. We can start all sorts of new churches, but without turning around existing ones by training pastors and churches to do so, the presbytery will be severely diminished in 10 years.	11/30/2022 12:44 PM
69	Ability to support both conservative and liberal viewpoints on issues.	11/30/2022 10:47 AM
70	Ability to not only articulate a vision for the future, but also work towards that vision in tangible, persistent ways.	11/30/2022 9:26 AM
71	Skilled communicator. Evidence of Spiritual Fruit.	11/30/2022 8:55 AM
72	Ability to lead the presbytery in spiritual discernment	11/30/2022 8:53 AM
73	to discern God's will for the people of the presbytery	11/30/2022 8:15 AM
74	Preaching Unites and inspires, which would be 4th. Experience pulling diverse efforts/gifts/passions into a United vision.	11/30/2022 1:11 AM
75	Ability to understand and to be flexible in discerning the changing climate in ministry.	11/29/2022 10:33 PM
76	Work collaboratively. Have the courage to speak a word of correction to any Presbytery leader when they behave in ways that damage presbytery credibility and witness. (Comment edited)	11/29/2022 9:32 PM
77	A leader who is clear about vision for the future of this Presbytery. He/She needs to listen to the Clergy and leaders. He/She needs to equip the church for the future in a time when churches are struggling by inspiring the congregations to reach out to the community and engage in transforming relationships.	11/29/2022 8:01 PM
78	The abilities to listen and serve - with a whole heartedness.	11/29/2022 6:09 PM
79	Ability to actually handle conflict is most important and I'm stunned it isn't on this list	11/29/2022 4:51 PM
80	Ability to institute change at a tolerable pace	11/29/2022 3:14 PM
81	Willingness to deal with conflict in a straightforward manner; to address it head-on and refuse	11/29/2022 3:07 PM

to throw people under the bus.

82	Curiosity, playfulness, sense of humor.	11/29/2022 2:50 PM

#	WHAT OTHER PERSONAL QUALITIES DO YOU BELIEVE ARE IMPORTANT FOR OUR NEW PRESBYTER?	DATE
1	We need a leader who tells the truth in love plainly, as opposed to someone who morphs to fit the moment. Sorry. That's just been my intuition.	12/21/2022 2:55 PM

3	Pragmatism	12/20/2022 5:28 PM
4	that their inner life is in order, that everything else of ministry is an outflow of shalom in connection with God, self, others, care of all creation (clearly aspirational, we're all struggling humans...); no skills, apart from such a foundation, are sufficient to draw God's people into our call of beloved community	12/20/2022 12:46 PM
5	The ability to have a strong vision for the future of the Presbytery and the ability to bring the congregations together under the Presbytery.	12/20/2022 11:25 AM

21	Statistically, we're in a time of decline, and we certainly can't be all things to all people. I believe we need a leader with optimism, energy, openness to new ideas, and a willingness to focus us on the most productive places to invest our energy, intelligence, imagination and love.	12/15/2022 11:06 AM
22	Ability to listen and offer ideas for solutions	12/14/2022 12:58 PM
23	Strong leadership qualities	12/13/2022 8:01 PM
24	Boldness to uphold the Word of God and not bend to cultural demands.	12/13/2022 4:24 PM
25	This is workable. He should be a committed believer and disciple maker. Possess the fruit of the Spirit and rely on whole on Him for guidance and be wisdom	12/13/2022 3:47 PM
26	All of these traits are good but we need someone who leads and isn't trying to be our buddy or gain consensus.	12/13/2022 11:08 AM
27	Collaborative	12/12/2022 8:51 PM

41	timely, dispassionate, passionate, differentiated, conflict-capable	12/1/2022 8:16 PM

Landscape for Pittsburgh Presbytery

42	Creativity and optimism We cannot evolve and change for good if we do not believe we can (or know why we should)	12/1/2022 8:03 PM
43	Our presbyter needs to have a high level of personal faith and the courage to act. We need someone who clearly understands that Christian faith and American culture are two different things i.e. woke agenda takes a backseat to the inherited faith of the saints.	12/1/2022 11:33 AM
44	I believe an extroverted personality is needed. It was a mistake made some years ago to hire an introvert for such a public position.	12/1/2022 11:13 AM
45	Again...all of these are important and the leader needs to possess each of these qualities. I put strong theological background next to last, but it's not that it's not important. I would suggest the person needs to demonstrate the qualities of a good listener and then respond in a way that demonstrates that he/she heard the issue before determining what needs to be done.	12/1/2022 11:10 AM
46	Strong commitment to obey Scripture.	12/1/2022 11:08 AM
47	Faith in Christ the Son of God	12/1/2022 10:37 AM
48	The new Presbyter has to live a life of integrity and hear/ listen to the views of others with whom he/she may or may not agree.	11/30/2022 6:33 PM
49	This individual must have a willingness to handle conflict directly. In fact, I am surprised that conflict resolution is not included above. I also believe that honesty (personal integrity above) is super important. It appears to me that this issue has plagued us for the past decade.	11/30/2022 3:36 PM
50	Care for each pastor in the presbytery. Being a woman.	11/30/2022 12:59 PM
51	Willingness to put aside personal perspectives to ensure the majority of congregations being served are heard and understood	11/30/2022 10:47 AM
52	Ability to be a non-anxious presence	11/30/2022 9:26 AM
53	N/a	11/30/2022 8:55 AM
54	Be very inclusive of people and beliefs. Engaging- easy to talk with and discuss ideas with.	11/30/2022 1:11 AM
55	cultural proficiency; cultural humility; understanding of racism and white supremacy as they operate in our presbytery, churches, & region.	11/29/2022 9:32 PM
56	The new Pastor of the Presbytery will have many challenges - this is not an easy time for the PCUSA. This leader needs to be strong in their conviction that the work of God in Pittsburgh and the world is important for the future. He/She needs to be creative about how the presence of a PCUSA church in a particular community will make a difference. He/She needs to be strategic about resources - there are many communities with several small PCUSA churches who are struggling. A time of visioning about the future with key leaders can make a difference. For example, Grandview PC on Mt Washington could have been a strategic location for weddings, spiritual retreats, conferences... but the building was neglected and now the church family cannot worship there. The new Pastor for the Presbytery needs to gather a group of people to discuss, what is the vision for the future of the church in Pittsburgh?	11/29/2022 8:01 PM
57	All of the above are most important for a good leader for Pittsburgh Presbytery.	11/29/2022 3:32 PM
58	approachable and transparent	11/29/2022 3:07 PM

6	The articles from our Executive Presbyter, Mr. Sorge, were not very insightful nor were they helpful...they just stirred the pot in a way that caused division in several churches I know. We need someone who will get out of their office and preach in a church 3 Sundays a month. I am also thankful for my church leaders who stood the test of time.	12/21/2022 2:48 PM

First, on Facebook; later, in "the courtyard" between the church building and the program center. We seemed to reach people from way outside the bounds, as in Florida and Minnesota, for instance. I'm thankful specifically for Brian Wallace and the care he gave this congregation; he showed up, was firm, but was also compassionate. He admitted the weaknesses of the system but worked hard to not just put a bandaid on the wound but to seek the root of the issue.
